- Van issue
  - To overhaul the van, it will have to have the engine and transmission worked on plus other things.
  - We could find another van and buy it, but would the church insure it? Or tag it?
  - Anything the troop buys is the property of the church because of the charter.
  - Could we rent a van every time we go on a trip?
  - Jo will check what other troops are doing.
  - Dan will check with rental companies.
  - ? will get estimates to repair the van.
  - Liz will look in to the vo-tecs to see if they could repair it.
