Camp Easton is located on Gotham Bay (Drum Beater Bay) on the eastside of picturesque Lake Coeur d'Alene - considered one of the most beautiful lakes in the world. With 383 acres of forested camp and $\frac{3}{4}$ miles of beautiful lake front, it is the perfect venue for Boy Scout resident camp. Lake Coeur d'Alene provides the ideal waterfront for a comprehensive aquatics program. Water-skiing, motor boating, sailing, kayaking, canoeing and rowing are just the beginning. Camp Easton also offers snorkeling, SCUBA, the ever popular water trampoline and the 24-man "war canoes".

In addition to a premier aquatics program, Camp Easton offers a variety of shooting sports to include archery, rifle, and shotgun. The dining hall will provide campers with great meals and mealtime program. Scouts will appreciate the variety of merit badge classes offered and new Scouts can get started on their trail to Eagle at the Eagle Quest area.
