In today's busy world, we need to find and support hundreds of volunteers in the important role of unit commissioner.

25 years ago, the Chief Seattle Council initiated a training and fellowship event for commissioners modeled after a college format. This model was subsequently adopted nationwide for supplemental training for commissioners and district volunteers. It has been an excellent training event for those who have attended.

In December, the college organizing committee evaluated the attendance, content, and results of past colleges with respect to three objectives: involving more volunteers directly with the council's strategic plan, increasing the number of

Hear Ye, Hear Ye, All Adult Leaders

Our district puts on 2 weeks of cubs and webelos camps, serving nearly 500 young scouts and we need you to help. Right now we have 4 directors to cover the two webelos camps but none for the cub camps, so we need at least 4 more people to step up and help out ASAP. No experience necessary and you don't have to be currently in the cub scout program to be a director. The council will pay for you to attend national camp school in March from the 17th - 19th and there is lots of support and knowledge available from the other directors to help you plan and organize things. The first week of camp is 7/10-7/14 and the second week is 7/17-7/21. This year's theme for day camp is Cubs of the Roundtable and should be a lot of fun! It really is an incredibly rewarding experience. Please consider filling this need and contact Linda Rosengren at 425-255-7045 or Jason Macpherson at 206-725-0361 ASAP

unit commissioners, and building enthusiasm and fellowship in all commissioners. The organizing committee members - some who have been involved throughout the history of the commissioner college - decided that the college format could not address these objectives easily and decided to develop a new event. In 2006, the same committee will present an annual convention of commissioners.

The new format will provide feedback from all participating commissioners to the council, regarding what should be done to achieve its strategic plan. It will also develop the tools and solutions needed in order to adequately serve all our traditional units and build enthusiasm among commissioners.

The committee has made considerable progress in planning for the new event, which takes place on October 14. Council Commissioner Rick Cordray will serve as chair, and Dan Bodien and David Compton as vice chairs. Program and operational responsibilities are divided between eight sub committees.

Green River District Awards
(Nominations are due May 11, 2006)

Unit Extra Miler Award - This award is presented by the District on behalf of the unit to one or two adults, involved as a leaders, committee members or parents, who have done a particularly outstanding job for the unit in the past year. Every unit should select up to two adults who have had a positive influence on the success of the unit for this award. Some examples of activities deserving this special recognition include: organizing and leading a major unit event or outing; organizing and publishing a monthly unit newsletter; organizing and maintaining unit records; doing an outstanding job as a committee chairman, unit leader, secretary, treasurer, or advancement chairman; assisting and training new adult leaders; or contributing more to the unit than was required or expected.

District Service Award - This award is presented by the District to Scouters who have done a particularly outstanding job serving at the District level in the past year. Scouters who have had a positive influence on the success of the District and the units in the District are recognized with this award. Note that this award does not take the place of the District Award of Merit but allows Scouters who have not been awarded the District Award of Merit to be recognized for making outstanding contributions at the District level. It also allows Scouters who have been awarded the District Award of Merit to be recognized for continuing to make outstanding contributions to the District. Some examples of activities deserving this special recognition include: organizing and running a major District activity like Spring Camporee or Klondike Derby; organizing and running District training like Boy Scout Adult Leader Training or Cub Scout Leader Basic Training; doing an outstanding job as membership, camping or advancement chairman; or contributing more at the District level than was required or expected.

Cub Scouter of the Year - This award is presented to one outstanding Scouter who meets the following requirements: 1) Is a currently registered Scouter, 2) Has completed two years as a registered Leader, 3) Has earned the Cub Scouter Award 4) Has participated in at least one Cub Scout leader Pow Wow, 5) Has attended at least 70% of the monthly Roundtables each year, 6) Holds regular den leader meetings or pack meetings, and 7) Wears a proper uniform to all Cub Scout and district activities.

Scoutmaster of the Year - This award is presented to one outstanding Scouter who meets the following requirements: 1) Is a currently registered Scouter, 2) Has completed three years as a registered Scoutmaster, 3) Has earned the (Leadership Training Plan) Scoutmaster's Key, 4) Wears a proper uniform to all Boy Scout and district activities, 5) Allows the boys in the troop to organize and conduct troop activities, and 6) Promotes training for youth and adults in the troop.

Scouting Family of the Year - This award is presented to one outstanding family which exemplifies the notion of Scouting as a program for the entire family. The majority of the nominated family must be registered in Scouting.

District Award of Merit - This award is a Council award that is presented by the District to registered Scouters who have rendered noteworthy service to youth on the District level. The nature and value of "noteworthy service to youth" may consist of a single plan or decisions that contributed vitally to the lives of large numbers of youth, or it may have been given to a small group over an extended time. The nominee should have contributed some type of service to youth outside of Scouting as well. Consideration should be given to the nominee's position and the corresponding opportunity to render outstanding service beyond the expectation of duty. The nominee's attitude toward and cooperation with the District and Council is to be taken into consideration. This is the highest recognition that a District can give to a registered Scouter.
