Got Wood Badge?

Scouting attracts participants by offering a promise. It is a promise of an exciting, well run program that will peak and keep their interest. This program includes adventure, challenges, growth opportunities, and new friends. The list could go on and on. Oh, did I mention **fun**?

As a leader of a Scout unit, how do you deliver this promise? Scouting has several helps available to assist you in this endeavor. One way is attending Roundtables and sharing ideas with other Scout leaders. Find out what is new, what works, and how to avoid a possible challenge.

Another help is training. Scout training is more than just getting the leader books and reading about the program. It includes some hands on training where you can get your questions answered as well as learn about the Scouting programs. A big part of this training is **Wood Badge**.

Come and join us at Wood Badge!

Experience first hand how a troop is formed and run. Share in the fun and adventure while meeting new friends. **Wood Badge** creates opportunities to gain additional helps and insights into the Scouting programs. Not only will you be a better leader in Scouts, but you will be able to take these leadership skills with you into your work, church, and home environments.

The Chief Seattle Council is offering two Wood Badge courses this year right in our own back yard. Both courses will be held at **Camp Pigott** just outside of Monroe. Course dates are **May 18-20 & June 1-3** for the spring course, and **August 23-25 & September 6-8** for the fall course. Applications are available at Roundtable, the Scout Shop, or on line at the Chief Seattle Council web site, www.seattlebsa.org.

We want to encourage you all to heed the call of Scoutings founder, **Lord Baden Powell**, and become trained

District Elections

Early next month, on the evening of June 7th, the district members-at-large will elect the district chair and vice chairs (for the 2007-2008 program year), as well as recommend our next year's district commissioner (who will be approved by the council board). This important event is conducted, each year, on the first Thursday in June. And, while only district members-at-large will actually be voting, everyone in Green River District is also invited to attend this district business meeting.

The roster for all district committee positions, which will be recommended to next year's District Chair (who will subsequently effect appointments of these positions), is fast filling up. However, if you are interested in volunteering for district program position (or you want to recommend someone), please immediately contact our district Nominating Chair, Cecil Stellyes (at 253-373-0774, or cecil_of_kent@earthlink.net) before Thursday, May 17th. It's not too late, yet!!

Dear Scout Leaders,

I am the Education Director for a great new educational and fun opportunity for scouts coming to the Northwest on May 9, 2007. I wanted to request your advice about the best way to get this out to the scouting community. At the end of this email is a brief listing if you have a calendar. Attached is a press release and a detailed description of our scouting program.

Dig It! The Fossil Workshop Learning Center will open soon in the Everett Mall. Dig It! The Fossil Workshop is a creative, educational venue where Scouts! and < B>their families can dig for authentic fossils and minerals, prepare their specimen, and even take their specimen home. Every fossil is real and 500 to 600 million years old. Our facility will be an exciting new addition to the set of options scouts, schools and educators have for hands-on, fun learning experiences. We are now booking groups for visits.

We have specific programs geared to scouting experience and the achievement of their geology and paleontology merit badge. We can assist the scout leader in helping them teach their paleontology and geology section in their scout book. We can customize our mineral and fossil demonstration around the specific needs of their troop, helping them receive their badges or just have a great fun and educational time. The program takes about 1.5 to 2 hours. The first half of the demonstration will consist of necessary material for the scout to earn their badge. In the second half of the demonstration, each scout will receive "hands-on" fossil and mineral interaction. Each student will receive their own fossil, mineral and Paleontology/Geology certificate on completion of the demonstration.

What can Dig It! The Fossil Workshop do for the Boy Scouts of America?

1. Provide Fossil and Mineral demonstration to earn their Geology and Paleontology badge. Scouts will excavate a fossil, learn to prepare it, and get to keep the real fossil they find.
2. All scout troops are charged the special school group price of \$5 per person for one dig (regularly \$8.99 for the public).
3. Free use of our Prehistoric Party Room for troop meeting and snack time during the demonstration. A \$100 value.
4. Free use of our Prehistoric Party room for Scout Leader meetings.
5. Provide area for a display to advertise Boy Scouts, Cub Scouts, or Girl Scouts and to collect sign-ups for information from those interested.
6. Provide the use of Dig It! The Fossil Workshop to hold an annual fundraiser for your scouts. Fifty percent of all quarry proceeds will go to the scout troop.

Our over 4,300 square foot facility in the Everett Mall has 3 excavation sites, a fossil preparation area, bookstore and gift shop. We also have snacks and beverages available if you would like to have a troop meeting in our center. In the mall area adjacent to the learning center is a 1500 square foot learning and soft play area for younger children. You and your scouts' parents are welcomed to bring their younger children along to play while the scout group is experiencing the program.

Parking at the mall is quite easy and the Dig It Learning Center is located adjacent to a mall entrance that has plenty of parking for busses and other large vehicles.

Call today and we can book your group. We look forward to playing and learning with you.

Regards,

Jackie Alan Giuliano, Ph.D.

Manager / Director of Education and Group Program

Cub Scout Adult Training

How can I register for a course? Most classes that aren't online can be registered for with an email to the cub training chair. The PTC and Woodbadge have their own forms available at Roundtable or online.

Can I take part of a training session in another district? YES. Go to seattlebsa.org and check the calendars for different districts. After the course, have them sign your training card and update your training record with your Pack at recharter time.

I'm already trained. What now? If you haven't taken Wood Badge yet, do that. It will benefit you inside and outside of scouting. Consider joining the training staff for a course and share your expertise with others. Come to the PTC and Roundtables to keep yourself energized and to pick up new ideas and skills.
