Wood Badge

What is Wood Badge? Fun—Fellowship—Leadership—Renewal of commitment – Exchange of Information! Wood Badge is a leadership course designed so every adult leader for Cub Scouts, Boy Scouts, Varsity Scouts, or Venturing, as well as district and council leaders and professionals, can take the Wood Badge course within two years of becoming a Scouter (though it is never too late).

What will I get out of Wood Badge?

As a participant you will take part in presentations, discussions, and team building activities that explore a wide range of leadership philosophies and tools. A key area of exploration is the process of team development. By recognizing the stages through which developing teams must pass, you will learn to apply appropriate leadership strategies that enable teams to reach their highest level of performance.

When is Wood Badge offered? The Fall Course 2008 is two Friday-Sunday weekends lead by Lyle Hall. It is limited in space and is by registration at the Chief Seattle Council offices only. The Course is now taking applications and is filling up. If you have an interest--sign up now. Bring a friend!

How do I find more information & register for Wood Badge? For information go to the Council website (<http://members.doubleknot.com/woodbadge/> or <http://training.seattlebsa.org>) or contact Brian Lenhart at 206-902-2340.

Cub Scout General Training Info:

UPCOMING TRAINING OPPORTUNITIES

Kent LDS – Roundtable location on 94th Ave. SE. and about 244th St.

St. James – Church 1 door down from Kent LDS on 94th Ave. SE and 245th. St., enter around back

You may also schedule individual training sessions for your pack if the above dates do not work. Contact Denise at brumbaughd@comcast.net

Sounds great! How can I register for a course? Most classes that aren't online can be registered for with an email to the cub training chair (brumbaughd@comcast.net). Please try to register at least 1 week before the course. If there are no participants pre-registered, the class will be cancelled. The PTC and Wood Badge have their own forms available at Roundtable or online.

Can I take part of a training session in another district? YES. Go to seattlebsa.org and check the calendars for different districts. In fact, Alpine District offers Saturday trainings. After the course, have them sign your training card and update your training record with your Pack at recharter time.

I'm already trained. What now? If you haven't taken Wood Badge yet, do that. It will benefit you inside and outside of scouting.

Consider joining the training staff for a course and share your expertise with others. Come to the PTC and Roundtables to keep yourself energized and to pick up new ideas and skills.

A CALL TO ALL UNIT LEADERS AND COMMISSIONERS!

As I am sure many of you realize, in our District, we are in desperate need of Unit Commissioners – a friend to the units and their leaders. I would encourage each unit to look within your ranks of volunteers to take on the role (a friend to some unit) as Unit Commissioner.

Outside of one monthly meeting, 11 times each year, it would only take an hour or less of your time each month to service as a friend to a unit. Some of you are already serving as an Assistant Scout Masters, acting as a Webelos Coordinator, or just sometimes working with another Pack, Troop, or Venture Crew are already serving in the capacity as a friend / liaison with a Unit outside of your own. Please help us by officially signing up as a Unit Commission and make that secondary role that you are currently playing an official one.

Yours in Scouting Service,

Bob Czaplinski

Special Cub Training Message!

Make the most of your time!

Trained leaders do a better job delivering a higher quality program that in turn keeps boys in the program. Get your leaders trained! Take advantage of the classes we have in the district or go to another district's training if those don't fit your schedule. Another option for Cub leaders is to have us come to you! We will come out to do Essentials or Leader Specific training for those on your leadership team that need it, just give us a call 253-631-3837 or email brumbaughd@comcast.net

District Cub Training Chair Needed

I will be moving on from coordinating the training for Cubscout leaders in June and would love to have a replacement in line for a smooth transition. I benefited so much from the time and training of those before me that I felt I needed to do that in turn for those who were behind me and became the training chair for the district. I've been doing this for cubs even though my boys have been in boy scouts and now they are both working on Eagles. It's time to turn it over to the next person. I'm more than willing to train and walk through what I do for you. If you want to know more or are willing to consider stepping into this role, please call me at 253-631-3837 or email me at brumbaughd@comast.net. It is a great opportunity to give back and make a difference. Thanks, Denise Brumbaugh

SAVE THE DATE: October 17, 2009

Youth Protection

Talk With ---Not At --- Children And Youth

Talking with children and youth is a two-sided conversation. Talking at children and youth is one-sided.

"Put on your raincoat," "Your're going to spill that, and "You need a haircut" are examples of "talking at." Adults who talk at children and youth may excuse themselves by saying that the kids cannot converse at an adult's level, but that isn't really the point.

No one – young children included – likes to be talked at. Try talking with children and notice the results.

Talking with children and youth; then, listening to what they do have to say are valuable habits to form. They pay big dividends when children become teenagers.

This information was compiled from a handout distributed by WA State DSHS.

Questions? Call Joyce Froisland at 253-631-9517

Baden Powell Corner

This is a monthly column from the book *Footsteps of the Founder, Lord Baden Powell*. Every month this column will feature a quote from the distinguished founder of Scouting.

First Aide – First Aide is an important and difficult subject – difficult inas-much as it requires care and precision, exactitude, and common sense (all unnatural attributes of the ordinary boy!) (Source: WCH (15th), 175)

At the April Round Table, we will have a computer on site that we will be able to update unit information onto the Green River District Web Site. Please send someone to the RT with the information needed. Go to our web site to see what type of info and photos may be posted there.

Dues

The fiscal or budget year for the Lodge has changed! It's no longer from Jan 1-Dec 31, but now runs from July 1-June 30. Consequently, dues are now due before June 30. If you have not yet paid dues for the 2009-2010 year, please download a renewal form and send in your dues. The form for the 2009-2010 year will be available sometime in May. We'll send out a note with the link when it comes out.

Brotherhood

Once you have spent 10 months as an Ordeal member, it is time to complete your induction and go through the Brotherhood ceremony. The requirements are simple and are given in the Order of the Arrow Handbook. Experience tells us that Arrowmen who become Brotherhood members are far more likely to stay involved in both Scouts and the OA. The rate at which Ordeal members are converted to Brotherhood is one of the measures used to determine Quality Lodge.

Ordeals

Speaking of Ordeals, have you ever served on staff at an Ordeal? Would you be interested in having a great time and participating in a fantastic T'Kope Kwiskwis Fellowship complete with rootbeer floats, games and a great movie? How about the possibility of achieving more service hours for school? How about leading our New Inductees in becoming Arrowmen? Our Lodge needs your help in putting on a successful Ordeal. If you serve as Elangomat, your entire weekend is free! If you need to achieve your Brotherhood, Ordeal is a great time to do that. Please come help our new Brothers become Arrowmen!

Annually, volunteers nominate men and women who are doing an outstanding job as Scouters for the Silver Beaver Award. The Silver Beaver award is presented to recipients on March 10, 2009, at the Annual Council Meeting and Recognition Celebration.

The committee welcomes all nominations and encourages you to recommend those Scouters you believe worthy of this high honor at any time. Nominations must be received by your local district executive no later than November 7th 2008.

About the Eagle Scout rank

For the past 99 years Eagle Scouts have come to be recognized as responsible young men who have developed the qualities of leadership, self-reliance and fitness. The Eagle Scout rank carries with it a special significance, not only in Scouting, but also in higher education, business, and community serving organizations. The award is a performance-based achievement whose standards have been well maintained over the years. Today, less than 4% of all young people who enter Scouting earn the honor of Eagle Scout. To earn the Eagle Scout rank, the highest advancement rank in Scouting, a Boy Scout must fulfill requirements in the areas of leadership, service, and outdoor skills.

Meet our new Green River District Director

The Green River District is excited to announce that John Padgett will be serving as the Green River District Director.

John has been serving Scouting professionally for over ten years with the Chief Seattle Council in the positions of North Lakes District Executive, Aurora Senior District Executive, Activities Director, and Foothills District Director.

Joining the Boy Scouts at 11 years, John looked up to the older guys who had just returned from Philmont. Later, John and his fellow Scouts planned trips to Philmont and Northern Tier providing them with real leadership experience.

Eagle Scout, John Padgett received Scouting highest rank from Troop 186 chartered to University Baptist Church in the Longhorn Council in 1988. Since then he has worked at all three National High Adventure programs: Florida Sea Base, Northern Tier and Philmont.

John is looking forward to working as a team with the great Scouting Volunteers of the Green River district to make a positive difference in the lives of young people. John's first goal will be to make sure all the Cub Scout age youth in the Green River District have an opportunity to join Cub Scouts and strengthen our Packs with new parents and leaders. In the long term John hopes to have strong Scouting programs in every neighborhood where every family can walk to Scouts.
