

Outdoor Training Opportunity

# OWL/ BALOO

In one Day-Saturday April 8, 2006

Cub Scout packs can conduct Overnight Pack Campouts, as long as the activity is conducted at a council-approved location and is under the direction of a Leader in the Pack trained to do so. The training course is called Basic Adult Leader Outdoor Orientation (BALOO for short). BALOO training is a course designed for the new Cub Scout leader with a desire to plan and carry-out an entry-level outdoor experience for the pack.

Overnight Webelos Leader (OWL) training is a course designed to give Webelos Leaders the skills they need to run a more advanced outdoor program for Webelos Scouts (Grades 4&5).

We've combined both these courses into a single experience that gets the participant certification in both areas. To be given at Treasure Valley Scout Reservation on Saturday, April 08, 2006. Please use the form below to sign up. Registration Deadline is April 1, 2006.

## Registration Form

Deadline: April 1, 2006 Course: April 08, 2006

Location: Treasure Valley Scout reservation

Time: 8:00AM to 8:00PM
