Puget Sound Region Jackets Still Available

Jim Farris is still taking orders for jackets (see April 2009 Tappet Clatter, page 5). They are a blue denim jacket made in the U.S.A. and are available in Men's sizes small to 7X large and women's sizes small to 3X large. The cost including shipping is \$36.50 each. They must be ordered in lots of six (6). Jim will group orders into lots of six. A local seamstress embroiders names for those who want them on their jackets. That adds an extra five dollars to the price. Shirts are also available with the same logo. Jim will check on pricing for the shirts if there is interest.

If you would like to order one of these jackets or shirts, contact Jim Farris at farrismej@aol.com.
