1936-1950 Passenger and 1/2 Ton Brake Shoe Cores. Also, 9 inch '38 to '53 clutch discs. Bring to any meeting. We will forward them to

2005 Northwest Meet

For the NW Meet next August our goal is for every registration at the meet will win a prize or door prize. In order to do this we estimate we need 140 prizes. We are asking every Puget Sound member to donate two or three prizes for this effort. They can be most anything that you would appreciate winning at the meet. They do not have to be car related but this is a car meet. They can be handcrafted items, NEW gifts in the box you wish to donate, or a few things you picked up Christmas or after Christmas shopping. Please give your items to Ana Maria, but also we are looking for assistance on room to store these items.

We will track our progress with the fuel gauge. Current total = 4

Also we will start up again with our planning efforts with meetings at the Darby's prior to the regular monthly club meeting beginning next January. If you would like to help or just listen in please join us as we get back to it.
