Medical Paradox

What is a medical paradox? A paradox is when you have two doctors that don't agree and they can't both be right.

How do you solve a medical paradox? Get rid of one of the doctors!

Order Custom-Made Seat Belt Covers

One of our members returned from a trip recently with a prized souvenir - a pair of handsome seat belt covers for their Chevy. Nicely padded with Velcro closure, they were handmade in the locale. The product has been shown to a seamstress neighbor who will make them to order for \$18. per set of two. You get to go shopping and select your own fabric! All you need to purchase is a 9 inch piece of 45-inch wide fabric.

Bring it to the next Club meeting with payment, and the sample and mystery will be revealed. Your custom seat belt covers will at the following meeting. These will make wonderful gifts too! (This offer is from an anonymous member.)
